## Sudden Strike 3 Full Crack [pack]

Download >>> <http://bit.ly/2QViGkI>

### About This Game

Experience the hit World War 2 real-time strategy game for the first time in full 3D glory, expanding on all strategic and tactical options. Command joint operations of naval, land-based and airborne units on the largest maps in the series. Newcomers and veterans alike will be right at home with an innovative user interface and improved AI.

### Features

- Huge variety of landscapes, sceneries and destructable environment fully detailed in 3D
- Massive operations on huge maps of several square kilometers
- More than 300 tanks, ships, soldiers, guns and aircraft in historically accurate 3D reproduction
- Use an advanced AI to help command your massive army
- Realistic lines of sight, projectile ranges and impressive visual effects simulated in real-time
- Five campaigns for American, British, German, Imperial Japanese and Soviet Russian Armies

- 
- Contains "Sudden Strike 3: Arms to Victory" and "Sudden Strike: The Last Stand" sequel
  - Contains map editor for user-generated maps and missions

Brilliant, re living my childhood with this game, truly an epic RTS game with a huge scale. shows its age nowadays but is still a ton of fun to play and a great throwback, and works fine on my computer with windows 10 so dont know why people are having issues. Highly recommended!
